Gentlemen:-

I would like to obtain a catalogue such as is usually issued by prominent numismatists. Can you tell me where such a publication is obtainable?

Any assistance you may give me will be appreciated.

Yours very truly,

F. M. Graham

Dear Sir:

Replying to your favour of October 21st, do you mean that you want an Auction Catalogue or the Catalogue of a private collection. If you mean the latter, you can obtain from Spink & Son, 17-18 Piccadilly, London, W.1, Volume I of their catalogue of the Weber Collection, for about 3.0.0., if I remember correctly. And from the same people, you can obtain the Locker Lampson Catalogue at about the same price. The Catalogue of the Jameson Collection can be had from a Paris book dealer, but I cannot quote you the cost of this.

If you could call at our library, I should be glad to show you these volumes as well as others if they should not meet your need; but the indefiniteness of your letter prevents my helping you further.

Very truly yours,

Secretary & Librarian
